

WASHINGTON STUDENT ACHIEVEMENT COUNCIL

2015 LEGISLATIVE WRAP-UP

2015-17 BIENNIUM OPERATING BUDGET HIGHLIGHTS ([ESSB 6052](#))

Resident undergraduate tuition reduced at all public institutions. Tuition-setting authority for resident undergraduates at public baccalaureate institutions returned to the Legislature, following tuition reductions in the 2015-17 biennium.

- Community and Technical Colleges: Reduced 5 percent in 2015-16.
- UW and WSU: Reduced below 2014 levels by 5 percent in 2015-16 and 10 percent in 2016-17.
- CWU, EWU, WWU and The Evergreen State College: Reduced below 2014 levels 5 percent in 2015-16 and 15 percent in 2016-17.

Funding for higher education institutions - \$158.1 million to backfill institutions for lost tuition revenue. **\$110 million** provided for compensation to faculty and staff.

Targeted education and higher education investments – to expand STEM, computer science, aerospace, allied health, among others.

Medical education

- **\$2.5 million** to WSU to gain work on accreditation of new medical school in Spokane.
- **\$8 million** to UW for expanded primary care residencies.
- **\$9 million** to UW to continue WWAMI medical education program.

College Bound Scholarship

- Maintains the commitment to fund projected enrollments of College Bound Scholarship students. Students attending private four-year institutions will receive grants tied to 2014-15 tuition at public institutions.
- College Bound outreach funding - **\$2.708 million** is provided to OSPI to contract with the College Success Foundation to provide outreach to students concerning eligibility for the College Bound Scholarship.

State Need Grant - SNG Awards for public institutions reduced consistent with tuition reductions. SNG savings total nearly **\$42 million**. No new funding to support eligible unserved SNG students. SNG awards held flat for students at private institutions.

Other financial aid

- **\$41 million** for the Opportunity Scholarship program, a public-private partnership, to match expected private donations.
- **\$7.65 million** provided for the Health Professional Loan Repayment Program (reinstatement of a program administered by WSAC).

Higher education support services - \$4.5 million provided to CWU, EWU and TESC (\$1.5M each) for "Student Success and Advising Programs" that improve degree completion.

Transitions to college

- **\$625,000** is provided to OSPI to partner with the College Board (that administers the SAT) to carry out support activities to provide early feedback and student progress, access to college and career planning and personalized information packets to high-achieving, low income students to increase the numbers progressing to public baccalaureate and private baccalaureate institutions in Washington.
- **\$98,000** is provided to WSAC to design and implement customized information to high-achieving (as determined by school districts), low income high school students.
- **\$5.9 million** is provided to OSPI to support community involvement officers that recruit, train, and match community volunteer mentors with students selected as achievers for the Washington Achievers scholarship program and the Washington Higher Education Readiness program.

Dual credit - \$6.621 million provided to expand dual credit options and support policy changes in [E2SHB 1546](#).
